Our 2009 Summit was Canada's greatest gathering yet of investors, commercializers, innovators, bloggers and policy experts in **early-stage enterprise development**. From today, all their insights and expertise, including video clips, podcasts, text and slides, are freely available on our website.

Where: http://www.angelinvestor.ca/NatSummit09_Content.asp

Who: Summit keynote speakers whose insights and knowledge were published include:

- Dave McClure, Manager of FF Angel and fbFund REV Incubator
 - *Startup 2.0: A Silicon Valley story*
- Basil Peters, CEO of *Fundamental Technologies II* Angel Fund (BC)
 - *Selling a Business: A Guide for Angels and Entrepreneurs*

These experts were among those who participated in our Summit panels:

- Mike Volker, President of Western Universities Technology Innovation Fund (BC) in *Angels' War Stories: The Highs and the Lows*
- Dan Martell, award-winning Silicon Valley entrepreneur from New Brunswick in *Co-Investment: Taking It to the Next Level*
- Jacques Bernier, Founder of Teralys Capital Fund (QC) in *Early-Stage Capital: Angels Challenging the Model*

In addition, we have:

- The *RBC Top Canadian Angel Capital Company* and the *Canadian Angel of the Year*
